EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to an applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made in a subject of the application to place the claims in a condition for allowance:

Claims

In claim 1:

- line 2, inserted --ink-- before "supply" and "storage" for consistent language.

In claim 2:

- line 1, changed "the inner" to --an inner-- for lacking antecedent basis.
- line 2, changed "the highest" to --a highest-- for lacking antecedent basis.

In claim 3:

- line 1, inserted --inner-- before "top" for consistent language.

In claim 6:

- line 1, inserted --inner-- before "top" for consistent language.

The above change was made to place application in better condition for allowance.

REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-7 are allowed because the prior art references of record fail to teach or suggest an ink cartridge comprising an ink outlet that is equipped on a sidewall of a case of the ink cartridge, an

ink supply chamber is connected in a low position with the ink outlet and in a high position with an air vent, wherein an ink storage chamber is connected in a low position with the ink supply chamber through a first passageway and a second passageway, the second passageway is below the ink outlet and above the first passageway in the combination as claimed.

Citation of Pertinent Prior Art

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. These prior art references (US Pat. 5,953,030; US Pat. 6,010,212; US Pat. 6,270,207; US Pat. 6,520,630) cited in the PTO 892 form show an ink cartridge which is deemed to be relevant to the present invention. These references should be reviewed.

CONCLUSION

Any comments considered necessarily by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
